

# Anita Borg Institute Grace Hopper Conference Program

## Specifications for Photos

---

### PHOTOS FOR PRINT

**FORMAT:** Adobe Photoshop JPEG or TIFF

**FILE NAME:**

Smith\_Jane.jpg OR Smith\_Jane.tif

**COLOR SETTING:** RGB or CMYK

**RESOLUTION:** High resolution, 300 DPI at original size  
Preferred original size is 4 x 6 inches (1,200 x 1,800 pixels)  
Alternate original size is 2 x 3 inches (600 x 900 pixels)

Note: although you can take a low resolution file and interpolate up using Adobe Photoshop (taking a 72 DPI image and making it 300 DPI), this does not create a true high resolution file. This results in a large file that is highly pixelated and dramatically distorts the subject.

HIGH RESOLUTION

LOW RESOLUTION
